

Mail-Ready Greeting Card

outside

- Black solid line represents cut line. Final document size when cut is 6" x 7.75" (folds to 3.875" x 6")
- - - - Blue dotted line represents .1" (or 1/10") bleed on all sides. Make sure your artwork extends out to this point (with bleed, document size is 6.2" x 7.95").
- - - - Orange dotted line in center represents where the wrap will fold.

Mail-Ready Greeting Card

inside

—— Black solid line represents cut line. Final document size when cut is 6" x 7.75" (folds to 3.875" x 6")

----- Blue dotted line represents .1" (or 1/10") bleed on all sides.

Make sure your artwork extends out to this point (with bleed, document size is 6.2" x 7.95").

----- Orange dotted line in center represents where the wrap will fold.
