FACTS:

On May 23, 2001 at 9 a.m., Lawrence "Guinness" Jackson established a new standard for marathon 10-pin bowling in the Guinness World Records book. By the time he stopped at 9:02 p.m. May 24, Jackson had bowled 136.5 games, nearly 23,400 pins, and 36 hours and 2 minutes of bowling lay behind him. More amazing was that he maintained a 171 average.
