FACTS:

The origins of the Margarita are mysterious. One of the most popular about the Dallas socialite, Margarita Sames. In the 50's Margarita would throw parties and get behind the bar and see what concoctions she could develop and let her party guests test and rate the results. One evening she mixed three parts tequila with one part Cointreau and one part lime. The result was a success among her guests and quickly traveled through the elite in Texas and soon Hollywood under the name of the one who created it.
