STOCK ART

3.767 in.

1.764 in.

COMMENTS:

All raster-based artwork (JPEG, TIFF, EPS, PSD, etc.) should be at least 300 dpi. When sending vector artwork (Adobe Illustrator preferred when possible) please convert all type to paths or outlines or include the printer and screen font files.

FACTS:

There is a myth that adding enzymes or bacteria into your septic tank will help reduce or even elimate accumulated waste. While both may help control the volume for a very limited period of time, it is much simpler and cheaper to have your tank pumped every three to five years.
