

#1224

Football

All dimensions are actual size.

STOCK ART

- **Bleed Line**
All background artwork should extend to this line (0.1" outside the Die Line)
- **Die Line**
Actual Magnet Shape
- - - **Imprint Area**
All important text/logos/info need to stay inside this line (0.1" inside of the Die Line)

FACTS:

Football historians place the game's beginnings in rugby, an English game played with many similarities to football. Rugby began in eighteen twenty-three at the famous Rugby Boys' School in England. Another cousin of the game of football is soccer, sometimes called association football; its beginnings can also be traced to English origin, being played as early as the eighteen twenties.

COMMENTS:

All raster-based artwork (JPEG, TIFF, EPS, PSD, etc.) should be at least 300 dpi. When sending vector artwork (Adobe Illustrator preferred when possible) please convert all type to paths or outlines or include the printer and screen font files.
